

CATALOGUE : ORGANIC HYDROSOLS

All our 100% pure and natural hydrolats are certified Organic by Ecocert FR - BIO - 01, according to the EU regulation 2018/848, or by Ecocert Greenlife when they are Bio-COSMOS.

Our organic hydrolats have a **minimum plant-hydrolate ratio of 1-1**. They are available in raw or filtered form: **sterile filtrations at 0.2µm**, carried out by us in an ISO 8 clean room.

ORGANIC HYDROSOLS certified by Ecocert FR-BIO-01
